

## BROOMALL'S LAKE COUNTRY CLUB

Dear BLCC Members:

Daylight savings time is upon us which means we will be swimming before we know it! YEAH! Just a few things to discuss . . .

**REMINDER:** BLCC will be enforcing the \$50 late processing fee after **April 1 postmarked.** See your invoice for details.

Please alert the helpline at **610.626.9500** if you plan to take your one year sabbatical or if forfeiting your membership altogether. We have eager families waiting to become a part of the BLCC family and need to know if there will be open spots available that can be offered.

Also, this year, BLCC will be implementing a new front gate procedure for membership cards and entrance to the facilities. If you are paid in full before Memorial Day Weekend your membership cards will be MAILED to you along with your guest passes (if purchased) to your home address.

**The first time you come to the pool you will need to present your actual membership cards.** The gate personnel will then take your cards and keep them in a secure area linked to your membership number, for the duration of the season. The front gate will have access to a list of everyone that has PAID IN FULL, and a complete list of their family members. Any one who tries to gain access whose cards are not located at the gate will be red flag that they are not paid in full or there is a potential issue with that particular membership. Members may at any time be asked to identify themselves via their membership number or other simple family information linked to their membership.

This new procedure will hopefully help members by eliminating the need to carry their actual cards with them or having to pay for lost cards. Members who chose to pay at the last minute or after opening will be charged the late fee and will be required to contact the helpline with their payment information. Their cards will then be mailed to them. The service company will alert the gate of the late payers and temporary entrance will be granted until cards can be made and mailed. Please pay on time.
