How members and guests can help ensure safe and sanitary operation of the pool :

Please come to the pool clean.
Take a shower before entering the pools.

Non-toilet trained individuals prohibited
(**Without exception**) from entering the big pool.

Individuals wearing diapers in the baby pool must also wear vinyl protective pants even when wearing leak proof diapers.
Contact pool office to see if they have any if you need to purchase Vinyl pants or go to local store.

Do not come to the pool if you are sick, have open sores or anything that would be harmful to other individuals using the facility.

If you observe **any unhygienic health situations**
Call it to the attention of the pool manager

Emergency Action

What happens if any human waste appears in pools?
Pools are immediately closed and not reopened until the water is super chlorinated. Pool closing could be 24 to 48 hours or more until the water has been tested and declared safe for use.

**BLCC and members working together as a team
Will continue to make the club something
We are all proud of!!**
